3. 60 Photoshop Action Scripts

License: Personal Use. Your creations can be used in commercial products.

[Note: if you don't have Photoshop, you can download the free 30-day trial, and create in one day all you need for the next year!]

With WP Dev Suite, you receive the great bonus, **3D Boxes for Your Plugins**, with the training video on how to create them in seconds using Photoshop action scripts...

...but how about 3D items you'll need? I am talking about:

- Brochures
- Binders
- Bags
- CD's and DVD's
- Ezines
- Member cards
- ...and a lot more!

This is where **60 Photoshop Action Scripts** come in!

4. Niche Headers

License: Personal Use. Your creations can be used in commercial products.

Each plugin you create targets a specific niche... and with Niche Headers, you get professionally-designed header images for 30 niches that you can easily modify to suit your needs.

Each header image comes in Photoshop PSD format.

5. User Manual Minisite

License: Personal Use. Your creations can be used in commercial products.

Plugin creators often skimp on how-to-use instructions, providing just a short text file.

User Manual Minisite is a simple HTML template that you can easily modify to provide the user manual for your plugins.

It comes with with the Photoshop PSD files for all the images used.

6. Instant Website Graphics

License: Personal Use. Your creations can be used in commercial products.

Regardless of how powerful your plugins are, you need to be able to present them in great-looking web pages. It is essential that apart from quality, you also provide the **perception of quality**.

Having compelling graphics when a new visitors arrives at your website and help boost conversions and help make you more sales. That's where Instant Website Graphics comes into play.

Apart from the images you can use immediately in 18 different categories, Photoshop PSD files are supplied as well, allowing you to easily modify the images to suit your needs.

8. Reggae Stock Audio Tracks

License: Personal Use. Can be used in commercial products.

When you create a demo video to show what your plugin does, including the uplifting background music greatly helps your product conversion.

Reggae tracks are universally loved, and get people in the right mood to listen to your message. Download and use Reggae Stock Audio Tracks in your projects.

9. Acoustic Stock Audio Tracks

License: Personal Use. Can be used in commercial products.

Do you prefer acoustic audio tracks to Reggae?

Here's the collection of 36 acoustic audio tracks that you can use as the background sound when demoing your plugins and other products.

10. List-Building Videos

Plugins are terrific for building your list, whether you give them for free on your website, on Wordpress.org, or supply them at low-cost with 100% of the profits going to your JVZoo affiliate...

...but while WP Dev Suite lets you create your own products in a heartbeat, it does not go into details on how to quickly grow the massive responsive lists and build trust with your audience.

Watch this set of 12 list-building videos for all the know-how you need.
