### Early Bird Bonus #3:

## Video Agency Business In A Box

### + Video Creation Software (Lifetime Access)

Video is hot and converts very well. Business owners are aware of this and are seriously looking for consultants that will help them with video ads. You target Business owners that are already running ads online but not using video (I will show you 2 easy ways to reach them, offer them video ads and get paid).

This kit contains everything you need to setup your video ads agency portal and get paid to create video ads for clients. And you will be using a simple software to deliver the service to your clients when they order.

This kit comes with the following:

- Readymade Video Ads Agency Website
- Highly Optimized Video Ads Cold Call Email Sequence
- Pimped-to-Sell Telemarketing Scripts for Video Ads
- Ready Made Sample Video Ads Powerpoint Proposal
- Print-Ready Commercial Graphics Template
- Premium Video Marketing Course (+Master Resell Rights)
- Best Video Creation App - You will get lifetime access to a simple video creation app: **ViddyGenie** which was launched a few weeks ago JVzoo. It sells for \$67 per month. We got the team to give lifetime access to all Designa Members. Lifetime access for both front end and the OTOs as wells. With this tool, you can deliver a *\$500 video in minutes*. Again we will show you how to outsource on fiverr if you don't have time to use the software and do it yourself.

## Early Bird Bonus #4:

### Facebook Ads Business In A Box

Many *local businesses* are aware of the lead-driving power of Facebook ads but have absolutely no clue how the heck to even use them.

They're intimidating. Also, there are local businesses that "get" the social media platform and use it to create buzz, but they still fail at Facebook ads. Here's the good news: **this failure for is an opportunity for you.** Businesses today will gladly hire you to help them with facebook ads. I'm going to give you EVERYTHING you need to build an agency that'll help support you and your family, all while helping businesses using Facebook advertising.
