

zSuite Affiliate Bonuses

Bonus 1: Button Creator

Button Creator lets anyone close more leads effectively... with powerful call-to-action buttons! There is no such thing as a successful campaign without a successful call to action.

- **Install to desktop (mac/pc)** - Download, launch, install and create buttons whenever they are needed
- **Customize the text, the shape and the icons** - Select from different shapes, add text and icons
- **Choose from 20 shapes and 17 styles.** An almost unlimited combination of designs
- **Choose from 60+ curated icons** - Whether users need an icon for support or Snapchat, they'll find what you need
- **Download in pixel perfect dimensions**
- **And So Much More...**

Bonus 2: Icon Creator

If you are selling any kind of products or services online and not using icons to convey key concepts visually, you may be missing out. Icons can grab the attention of visitors and draw them to read more and engage with your content.

- Install to your desktop (mac/pc) - Download, launch, install and create icons whenever you need them
- Play with the backgrounds styles - Select from different shapes or add borders, shadows and bevels
- Choose from 676 curated icons - Whether you need an icon for support or Snapchat, you'll find what you need
- Personalize your icons - Set your colors, add a bevel or shadow and customize the size of the icon
- Download at the dimensions you need - 256x256, 128x128, 64x64, 32x32 or 16x16
- And So Much More...

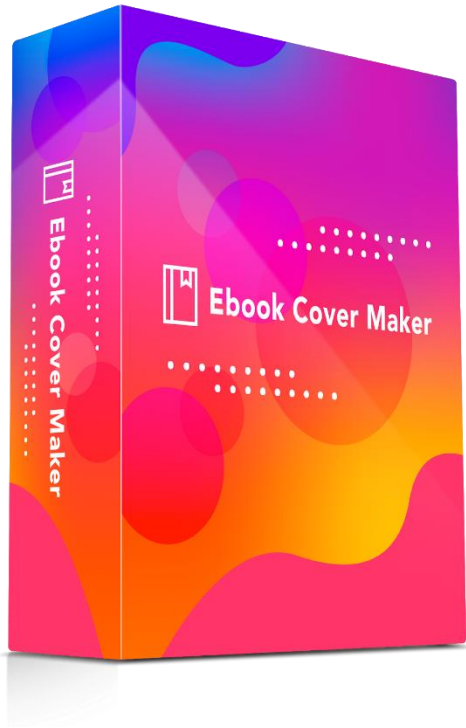

Bonus 3: Stockzign Ultimate

Amazing bundle of stunning high resolution silouettes, backgrounds, elements, desks, devices and accessories lets you create over **614,125,000** different design combinations.

Easily upload and edit your Stocking Ultimate combinations in zSuite and create compelling designs in no time.

Bonus 4: eBook cover maker

Create stunning flat and 3D eBook cover graphics in seconds with the cloud-based eBook cover maker software. People do judge a book by its cover. Make a lasting impression on your potential reader by wowing them with your book designs.

- 50+ templates to choose from and customise or start from scratch
- 300+ high resolution built-in graphics
- Intuitive drag-n-drop UI
- Go from flat to 3D cover with just a click and back
- Power user features

Bonus 5: Instant background kit

A selection of 100+ hand-picked high resolution background graphics perfect for zSuite projects, video projects and for your landing pages and websites. You can also use these backgrounds in any design or video tool for yourself and for your clients.

All Bonuses are delivered in the zSuite dashboard
